Long Term Care Home
October - 2019

Happy Fall Everyone! With another family BBQ in the books we would like to thank our staff, volunteers, families and vendors for making this a memorable one for our residents! ☺ As the leaves are starting to fall, our department is gearing up for Halloween! There are lots of great musical entertainers in the month of October so be sure to check out our calendar! One entertainer that you do not want to miss is British Violin Soloist Peter Fisher on October 29th at 2pm. Peter has performed for over thirty years around the globe and has received a reputable reputation from The Royal Family as well as the rest of England. Don't miss this amazing show!

Staff Appreciation Moment- Cathy Vickers Goes Above and Beyond!

We have started an appreciation box! You may have noticed but there are mailboxes located at each nurses station so that residents, staff, and family can leave a note of appreciation and recognition if they see a staff member go above and beyond their call of duty for a resident or coworker! This month's staff appreciation shout out goes to Cathy Vickers (PSW)!! A staff member writes that Cathy goes above and beyond her job to make the residents feel good and look nice each day. Another staff member writes that Cathy charts in residents rooms so they have someone to sit and chat with. Wow way to go Cathy! We appreciate you so much ☺

Speaking of Wildlife!

Speaking of Wildlife was established in 1989 with a goal to educate the public about nature and wildlife in an interactive and exciting way. By 2000, Speaking of Wildlife had become a leader in the realm of live-animal outreach and was expanding with the creation of the Muskoka Wildlife Centre, a wildlife education centre that is open to the public and allow visitors to experience the Canadian Shield, scenic trails and Ontario's wildlife all in one place! We were fortunate enough to have speaking of wildlife visit our home at the end of September and what a hoot that was! They brought a squirrel, a turtle, a porcupine, a pigeon, a skunk (named Chanel) haha and so many more fun animals for our residents to learn about and enjoy! ☺

October Birthdays
 October 4th- Fiorelle B
 October 17th- Elise T
 October 27th- Sam D
 October 28th- Joanna M

People born under the sign of Libra are peaceful, fair, and they hate being alone. Partnership is very important for them, as their mirror and someone giving them the ability to be the mirror themselves. These individuals are fascinated by balance and symmetry, they are in a constant chase for justice and equality, realizing through life that the only thing that should be truly important to themselves in their own inner core of personality. This is someone ready to do nearly anything to avoid conflict, keeping the peace whenever possible

Scorpio-born are passionate and assertive people. They are determined and decisive, and will research until they find out the truth. Scorpio is a great leader, always aware of the situation and also features prominently in resourcefulness.

Scorpio is a Water sign and lives to experience and express emotions. Although emotions are very important for Scorpio, they manifest them differently than other water signs. In any case, you can be sure that the Scorpio will keep your secrets, whatever they may be.

Staff Appreciation Boxes

We have started an appreciation box! I am a Registered Nurse and I have a dual role here at Errinrunc. As the Assistant Director of Care I help the DOC to oversee the delivery of care and service in the Nursing Department, and as the Quality Coordinator I lead the quality improvement programs in the home. I am always happy to chat about our current quality initiatives and I welcome any suggestions or ideas that may help our current projects.
