Wow, November already!!! We have had a great year with our residents, and more is yet to come. As we get ready for Christmas our residents will be going on an evening tour to the Christmas lights in Owen Sound on November 16th and November 21st at 5:30pm. That day they will have an early supper and set out! We are going to try to accommodate the buses so that everyone is included but wheelchair space is limited. We already have a list that we are going off as we are trying to take all residents that didn't get to go on the fall leaf tour! 😊

If you are wanting to spend time with a loved one, we have several rooms that are at your disposal for your own private celebrations if you desire. If you would like to rent a room to spend some one-on-one time with your loved one, please feel free to contact Kristina the Program Services Manager @ 519-599-2737 ext. 6

Our residents will be enjoying a Remembrance Day service put on by programs and St. George's church on Monday November 6th at 10:45am.

Families are welcome to come and join in to remember our loved ones that have given so much for our country.

Clomet Cleanout

This is a gentle reminder for families to ensure their loved one's closets are cleaned out for winter. Typically, that means bringing home items that shouldn't be worn through the winter months.

We also ask families to make sure your loved one doesn't have too many items in the closet as it gets crowded, and they are unable to see all items of clothing clearly.

Thank you so much!
